TOTAL SUPPORT

EXCLUSIVE
CUT-AWAY
BACKRESTS™

Ever sit in a bucket seat?
They're a closed system and so are ALL other chairs.
Soma's Cut-Away™ Backrests™ are the first based on Open-Systems design™
You get an amazing combination of freedom, support and comfort and they are clinically proven to help reduce RSI's and muscle tension so you can get more done with less effort!

They're State-of-the-art!
They're the first to allow for a true open-posture™ in the upper back, neck, and shoulders!
They give you more than meets the eye.
Try one today and experience the genius of Open-Systems-Seating™ only from Soma!
